

HS CLUB 15U | 16U | 17U TRYOUTS

Starting 5 is the longest standing club basketball program in the Santa Clarita Valley for a reason. We have a proven history of developing players and helping kids reach their goals. Whether your goal is more minutes on your school team, or money for college, we can help.

**CLUB DIRECTOR
JAMES DE MONBRUN**

"It's such a joy serving the Santa Clarita Valley. Helping players get better, make their teams, and earn more minutes is something we take great pride in. It's such a blessing when we're able to help a family save money for college through basketball. The way we coach is "different" in today's game; No yelling and screaming in our gym. No foul language. We're not affiliated with any school, and we don't have parent coaches. We teach, we encourage, we build, and we have fun! I hope to see you in the gym."
